SEIZE YOUR FUTURE

What is **FOCUS?**

FOCUS is a program for adult learners whose path to university is more difficult due to migration, displacement, being the first in your family to study, or other circumstances. FOCUS helps to:

- Improve your academic and professional English or German skills
- Prepare you for study and help you explore various universities and study options
- Enhance key skills (e.g., data analysis or critical thinking)

Free **COURSES**

- English for work and study
- German for work and study
- Using data for social analysis
- Democracy in question
- Migration, citizenship & belonging
- Vienna in perspective
- Truth & doubt in the age of social media

Participants can also enroll in the ongoing information and workshop-series about study options in Austria, Europe, and North America and receive individual feedback on their application materials.
