# ▲ STEP INTO SUCCESS

## What is the **MATURA SUPPORT PROGRAM?**

The Matura Support Program supports high school students in Vienna. Through different activities you can:

- Prepare for the English components of the Matura
- Take the first steps towards success in university or other higher education studies

## Free after-school **ACTIVITIES**

- Tutoring and support for the Matura
- English tutoring and after-school classes
- Pre-scientific paper (VWA) support
- Explore university and study options
- Preview university-level courses and events

## Can I **APPLY**?

Do you attend a Gymnasium or other high school in Vienna that prepares you for the Matura?  
Are you in the last two years of your studies?

If so, apply if you meet at least ONE of the following conditions:

- You attend a public (state) school in the 10th, 11th, 12th, 15th, 16th, 20th, 21st districts, OR
- German is not the only language spoken at home OR
- At least one of your parents does not have a university degree OR
- You are excited about the program and do not have similar opportunities
