NOTES

Not listed (semi-independent study): YELC6252 Discipline-Specific Pedagogies and the Scholarship of Teaching & Learning, Part II (Yurgos Politis and Matyas Szabo) - for CEU and OSUN faculty only, by arrangement.

* NB. CEU doctoral students in the business and management program should enroll in Foundations seminar (6101 B) and the Foundations practicum (6103 B), taught by Michael Kozakowski and Matyas Szabo, not displayed here. This course is offered in modular format in February with an online follow-up component. These sections are restricted to business students. February 19-22, 2024. 8:00 am - 13:15 pm. QS D-103. All other CEU doctoral students taking Foundations in winter should enroll in the seminar section (6101 A) AND practicum section (6103 A).

**Learning by Design A (Thursdays at 10:50) is offered in-person for CEU doctoral students. Learning by Design B (Tuesdays at 13:30) is intended for CIVICA and OSUN colleagues, as well as CEU doctoral students unable to attend in person on Thursday.
